John W. Suthers
Colorado Attorney General
1525 Sherman St.
Denver, Co 80203

Attention John W. Suthers:

As you are certainly well aware, on March 21st, 2010 the United States House of Representatives passed the Senate Health Care Reform Bill and it now awaits the signature of President Barack Obama.

It is our contention that this bill is an assault on the United States Constitution and that it is an infringement upon state sovereignty, specifically the sovereignty of the State of Colorado.

Congress has reached far beyond their constitutional authority attempting to use the cover of the Commerce Clause to impose their mandates upon the individual citizens and businesses of Colorado.

We ask that you join the at least 12 other states and file suit the second Barack Obama signs this unconstitutional legislation.

Hear Us Now stands prepared to support you and your office in this endeavor in any and all ways.

Constitutionally yours,

Keith W. Peterson
