DENVER – Hear Us Now! is delighted to announce our decision to endorse Mr. Lang Sias, to become the next Member to the United States House of Representatives (Congressional District 7) for the great State of Colorado.

In making its endorsement, Hear Us Now! considered Mr. Sias' commitment to upholding the United States Constitution, principles of limited government, and to preserve and protect our God given rights – guaranteed by the Constitution. Mr. Sias recognizes that the life of our Republic is at stake, and he is willing to take his campaign all the way through State Assembly on May 22, 2010.

In addition, Hear Us Now! appreciates Mr. Sias' expressed commitment to protect the sanctity of life at all phases, stop spending, cut taxes, and reduce or remove restrictive regulations on businesses. Furthermore, he expressed his strategic ideas to bring these goals to fruition.

Since Mr. Sias announced his congressional candidacy, members of Hear Us Now! examined him to discover his character qualities. He recognizes his need for the support of Tea Party and 9-12 groups throughout Colorado's Congressional District 7. Even though Mr. Sias recently started his campaign, he was candid and cooperative with our probing investigation.

For example, we asked, if elected, how Mr. Sias would use the office to restore constitutional government to our land. In summary, he replied that removing the taxation and burdensome regulatory bearers on businesses to stimulate our economy would be his # 1 priority. He served for over 20 years as a Naval Aviator and understands the link between a strong economy and strong national defense. He understands the external and internal threats to our nation and he knows that we have to stop treating our enemies as common criminals.

One of many issues we spoke to Mr. Sias about was his involvement with John McCain. We were satisfied with his response and leave it to he and his campaign to address it any further.

Hear Us Now! is the official organizer of this year's April 15th Tax Day Tea Party on the west-facing steps of the Colorado State Capital Building. Hear Us Now! extends our invitation to Mr. Sias to appear at this gathering of Colorado citizens seeking future, Legislative Leadership who will fight for Coloradans.
